# DYNAMICS of VIOLENCE

Takes you on a exploration into this age of violence. Nightmarish cases from contemporary history... war, bombings, assassination, mass murder, rape, arson, riots... are the backdrops against which eminent psychiatrists discuss violent aggression.

Immensely revealing and readable, **Dynamics of Violence** provides a bold, innovative breakthrough in our understanding and control of inter-human violence.

Order your copy from the AMA, 535 N. Dearborn St.; Chicago, Ill. 60610.
