BALDPATE, Inc.

**A PRIVATE PSYCHIATRIC HOSPITAL
 GEORGETOWN, MASS. 01830
 (617) 352-2131**

Located 30 miles north of Boston on 130 acres, set among peaceful meadows bordering a quiet lake and wooded hill, Baldpate presents a relaxing atmosphere to the problem-beset patient.

Baldpate is an active treatment hospital for psychoses, neuroses, alcoholism, and drug addiction.

Psychotherapy, somatic therapy, milieu therapy, and pharmacotherapy are available from qualified physicians. There is also occupational and recreational therapy under the direction of trained therapists.

Single rooms with and without bath, shared accommodations, and cottages are available.

Most major health insurance plans acceptable.
