Hutchings Psychiatric Center is a major provider in a balanced Mental Hygiene Service System for the five counties of Central New York. The construction of our main campus is well under way. We have immediate openings for staff psychiatrists with clinical, teaching and research interests on Inpatient and outpatient multidisciplinary treatment teams. Hutchings Psychiatric Center is a major affiliate of Upstate Medical Center with ample teaching opportunities and support for most research interests.

Qualifications: Applicants must be board eligible or board certified Psychiatrists. Salary range: \$27,942-\$35,373; depending upon qualifications and experience.

Benefits: Vacation, sick leave, personal leave, health insurance, dental insurance, New York State Retirement System, and major affiliation with S.U.N.Y. College of Medicine at Syracuse.

An Equal Opportunity Employer
