**Psychiatrists**

The New Hampshire Hospital (the State's only psychiatric hospital) operates on the unit principle, each clinical geographic unit having close ties with the community mental health center(s) of its catchment area. There are special clinical units including Neurology, Child and Adolescent Care, Forensic, and Medically Infirm Care.

Board certified or eligible physicians who have a strong interest in community psychiatry and a competence in leading therapeutic teams with a high degree of clinical independence are invited to consider joining the staff. Salary up to \$34,000. New Hampshire lincensure required.

For further information please contact: Superintendent M.W. Wheelock, New Hampshire Hospital, 105 Pleasant Street, Concord, New Hampshire 03301.
