Correction

Omission of “About the Cover” Box. For the “Art and Images in Psychiatry” article titled “Moses,” published in the July issue of the ARCHIVES (2004;61:647-648), the “About the Cover” box in the Table of Contents was omitted. It should have appeared as follows: Frida Kahlo (1907-1954), Mexican. Cover: *Moses*, 1945. Oil on masonite, 15¾ × 19½ in. Private collection. Reproduced by authorization of the Instituto Nacional de Bellas Artes y Literatura, México City, México. Copyright 2004, Banco de México. Diego Rivera & Frida Kahlo Museums Trust, Cuauhtémoc, México. Figure appearing in “Art and Images in Psychiatry” article: *Stela of the Royal Family* (Akhenaten with his wife Nefertiti and their 3 daughters under the rays of Aten), ca 1345 BCE. Painted limestone relief from Akhenaten (Tell el-Amarna), 32.5 × 39 cm. Egypt, 18th dynasty. Aegyptisches Museum, Staatliche Museen zu Berlin, Berlin, Germany. Photograph courtesy of Bildarchiv Preussischer Kulturbesitz/Art Resource, NY. The ARCHIVES regrets the error. This correction was made previously to online versions of this article.
